To issue a summons

The probation officer believes that the offender has violated the following conditions of supervision:

**Violation Number 1:** If you are arrested or questioned by a law enforcement officer, you must notify the probation officer within 72 hours.

**Nature of Noncompliance:** On April 19, 2023, Tavares was arrested by the El Paso Police Department for Assault Family Violence. Tavares failed to report his contact with law enforcement within 72 hours. It should be noted that the case was subsequently dismissed.

**Violation Number 2:** The defendant must participate in a substance abuse treatment program and follow the rules and regulations of that program. The program may include testing and examination during and after program completion to determine if the defendant has reverted to the use of drugs.

The probation officer shall supervise the participation in the program (provider, location, modality, duration, intensity, etc.). During treatment, the defendant must abstain from the use of alcohol and any and all intoxicants. The defendant must pay the costs of such treatment if financially able.

**Nature of Noncompliance:** Tavares has submitted the following positive drug tests: April 11, 2023; for amphetamine and cocaine; May 17, 2023, for amphetamine; May 31, 2023, for amphetamine; and June 7, 2023; for amphetamines.

Furthermore, on May 1, 24, and 25, 2023; June 9 and 16, 2023, Tavares failed to provide a random drug specimen.

**Violation Number 3:** The defendant shall participate in the Location Monitoring Program for a term not to exceed six months, which will include remote location monitoring using Active Global Positioning Satellite (GPS) tracking. The defendant shall abide by the rules and regulations of the Participant Agreement Form. During this time, the defendant shall remain at the place of residence except for employment and other activities approved in advance by your probation officer. At the instruction of the probation officer, the defendant shall wear a transmitter and be required to carry a tracking device. The defendant shall pay for the costs of the program if financially able.

**Nature of Noncompliance:** On May 1, 2023, Tavares was explained the Location Monitor Program (LMP) Participant Agreement listing the rules regulations of LMP. On same date, Tavares acknowledged and signed the Participant Agreement form.

On May 6, 2023, at 8:54 p.m. and on June 14, 2023, at 1:28 a.m. Tavares left his residence without permission. On both occasions, Tavares indicated he had gone to see his pregnant girlfriend who was feeling ill.
